VACUUM

Our gripper offer has been designed by Sepro Group in collaboration with two world leaders in the gripper tools sector: Gimatic and AGS.

My Gripper is quite simply the most complete gripper tool offer on the market.

AUTOMATION GREIFSYSTEME SCHWOPE GMBH

The products from the 3 selected brands are now compatible with each other. This catalogue is now supported by a digital options guide, where you can find out how to best associate your gripper's elements: www.sepro-group.com/mygripper. Our customer service department is also here to help you make the best selection.
